## Experience

### Child Welfare League of America

Arlington, VA , November 2008 - Present

#### Graphic Designer

Developed graphics and layouts for books, magazine spreads, advertisements, membership materials, email newsletters, certificates, brochures, flyers, and conference materials (including logos, programs, signage, awards).

Redesigned journal, magazine website, curriculum covers, and email newsletters to align with today's trends.

Assisted with researching and implementing social media to enhance communication between the company and its members. Resulted in increases of donations, publication sales, conference attendance, and web traffic.

Updated aspects of the company's existing website.

Chosen to provide maintenance and support for the company's Macintosh computers and assisted with upgrades.

### Authentic Marketing

Cupertino, CA, June 2008

#### Freelance Graphic Designer

Consulted with the CEO of Protège Performance to determine the company's design needs, and the direction of the project.

Developed corporate branding for Protège Performance including company logo, business cards, website landing page, and postcard.

### Inbox360

Williamsport, PA April 2007 - September 2007

#### Graphic Designer

Created and designed email newsletters, business cards, posters, displays, postcards, and registration websites to accompany the company's existing branding.

### Kimball's Pub

Williamsport, PA March 2006 - April 2007

#### Cook, Bartender

Operated a one-person kitchen by cooking, stocking supplies, washing dishes, and cleaning surfaces. Additionally chosen to tend bar and serve after two months of employment.
